O Sii'em, Lyackson and Halalt Members,

Subject: Clarification on Huli'tun Health Society's "Cash" Draw for 5-Year Long Survey Participants

Thank you for your continued participation in the Huli'tun Health Society's 5-Year Long Survey. Your input is vital in helping us improve health services and programs for our communities.

We are pleased to clarify that the **"cash" draw** was for survey participants, with entries categorized into three age brackets and across the following groups:

- **Lyackson**
- **Halalt**
- **Other**

To clarify, while the draw is referred to as a "cash" prize, **winners will receive their prize in the form of a cheque**. This process ensures secure and traceable delivery of funds for auditing purposes. Cheques will be ready for pick up on Friday, October 24, 2025 at the Huli'tun Health Society. **No physical cash will be distributed.**

Additionally, we want to define what we mean by a "cash" prize:

- A **cash prize** is a **monetary award**, meaning it is actual money.
- It is **not a gift card**, voucher, or any other form of non-monetary prize.

We appreciate your patience and understanding. In closing, we look forward to celebrating our winners! If you have any questions, please feel free to contact me the Huli'tun Health Society office: 250 246 2127 or healthdirector@hulitun.ca

Respectfully,

Huli'tun Health Society
